

FALMOUTH COMMODORES BASEBALL

The Cape Cod Baseball League is comprised of ten teams operating under NCAA sanctions. The Falmouth Commodores are one of those teams. Each summer these teams recruit and attract the best Division 1 collegiate players. The League attracts Major League Scouts at every game of the season. One of every eight players in today's Major League played in the Cape League. Boston's own Jacoby Ellsbury played as a Falmouth Commodore. Your child can play with the stars of tomorrow today!

It is our goal to provide a fun learning experience this summer. Every day we will focus on improving basic technical skills while promoting teamwork and sportsmanship.

OUR STAFF

Falmouth Commodores assistant coaches and players comprise the Clinic Staff. Assistant Coach Shane Wedd has directed the Clinics for the past 3 years.

ELITE CLINIC

The Falmouth Commodores Elite Baseball Clinic is a focused, skills oriented session directed toward the advanced player from ages 9 to 17. The sessions will focus on Pitching and Catching, and Hitting and Fielding. Please make sure that your player brings his or her own catching equipment and bat to this clinic. Attend just one, or stay the whole morning for an intense training experience.

REGISTRATION INFORMATION

Your child should wear sneakers or cleats and sunscreen. Also, your child should bring a labeled baseball glove and drink.

Each week, all clinic participants will have the opportunity to be recognized on the field with Commodores players during the National Anthem of a designated home game.

A Falmouth Commodores clinic t-shirt will be given to each child.

Souvenirs are available from the Sports Shack on Monday mornings from 10:00-11:00, online at www.falcommODOres.org and at all home games.

Please complete the registration form on the reverse for your child. The same form may be used to register your child for multiple clinic sessions.

Thank you in advance for being on time picking your child up!

The Falmouth Commodores clinics are fully insured. Fees for all clinics should be paid in advance and are non-refundable.

Group and individual photographs of your child might be used in some of our publicity materials.

For more information visit us online at www.falcommODOres.org.
